

Instructions for Updating your UserName in Moodle

For some reason, Moodle sorts by FIRST name. Since most programs sort data by LAST name (surname), names will have to be entered in reverse order. (Put your FIRST name in the SURNAME box and your LAST name in the FIRST name box)

Step-by-Step instructions

1. Log on to Moodle (<http://www.springssoft.com/moodle30>)
2. Click on your name/image in top right hand corner and select Preferences.
3. From the Preference Screen, click Edit Profile
