

OOP Program Grading Sheet (ver E)

FINAL GRADE

P:
#:
L,N:
D:
A:

	DATE					
A) Grading Sheet (THIS SHEET)	5					
B) COMPLETE and LEGIBLE specification of program	5					
C) CLASS selection page						
All nouns circle on specification sheet						
List of ALL nouns from program specification						
chosen classes will be outlined in part E	5					
D) Test Data/Hand Test						
Complete, labeled set of TEST DATA	5					
Step-by-step hand test	5					
	10					
E) CLASS INTERFACES (1 page per CLASS/Object)						
CONSTRUCTORS						
Properties correctly initialized	5					
Decomposition of problem with signatures						
Accessors	5					
Mutators	5					
Hand Test						
Show how program modifies data	5					
	20					
F) MAINDRIVER (working “stubbed” program)						
Debugging code is included with switches	5					
INPUT routine	5					
Steps are echoed to screen for TEST DATA	5					
OUTPUT routine (format output, echo input)	5					
	20					
G) DOCUMENTATION (ALL preliminary work)						
Notes and corrections to algorithms (added to E)	5					
JAVADOCS files	5					
	10					
H) LOG OF BUGS and BUG FIXES	15					
I) COMPLETE LIST OF PROGRAM	5					
J) RUN OUTPUT FOR PROGRAM (sample screen)	5					
SCORE	100
